Sister Keri and Moziah – Fighting Evil on a Spiritual Level (1of2)

I am accompanied by two ladies in a Skype discussion/interview which is [downloadable here](#) or directly accessible [here](#) (thanks to Byron for upping it).

Sister Keri Burnor is a victim of clerical sexual abuse and the cover-up that ensued. She became disillusioned with the Catholic Church and decided to break away entirely. Although her tormented background is also addressed in this interview, more information can be gleaned [here](#) and [here](#). Also listen to Sister Keri's previous interviews with [Greg Szymanski](#), from [2007](#) and [2008](#).

Monique Armstrong, or "Moziah", as her God-given name is, came to my attention this summer when she emerged as "Agent JJP", the spiritual advisor to [Leo Lyon Zagami](#); an Italian aristocrat and, among other things, Grand Master of the Ordo Illuminatorum Universalis (1999) a European Illuminati Order. Moziah is affiliated with the [International Fellowship of Jews and Christians](#) and the [International House of Prayer](#).

Both ladies prove to be extremely spiritual and represent a truly impressive bastion of spiritual wisdom and rare historic knowledge. Below is an overview of the many topics we discussed. To make the three hour long interview easier to navigate and quicker to reference, I added time-stamps (**TS ...**) with the announcement of a new topic. Due to size considerations, I've divided the post into two parts.

A recurring theme in the interview, and I hope to persevere this in possible follow-up interviews, is the issue of how to most effectively counteract *the fruits of Darkness* and *Darkness* itself.

NB. To do myself a favor, I use the 'shorthand' notation *Keri* and *Mozi* as shorthand abbreviations of Sister Keri Burnor and Monique "Moziah" Armstrong, respectively.

(TS 00:02:16) Battling the Vatican on a Physical vs. Spiritual Plane

Ephesians 5:11 And have no fellowship with the unfruitful works of darkness, but rather *reprove* them.

Keri recounts her battle with the Vatican in the ordinary physical plane by directly confronting it in a courtroom environment, especially in the function of assisting [Christopher Strunk](#). She emphasizes though that she became physically exhausted exposing the crimes of the Vatican this way, "day in day out, trying to practically becoming an attorney." Mozi steps in and remarks that any opposition brought against the Vatican is destined to fail as the legal system is defined such that it works in the favor of the Papacy. On properly facing the Vatican she maintains that **"our weapons of warfare are not carnal but spiritual to the pulling down of (spiritually grounded) strongholds."**

(TS: 00:10:44)Genuine Faith Healing

Mozi tells how she and Keri were literally miraculously healed from their respective tenacious ailments. While Moziah was cured from her [high blood-pressure](#), Keri was healed from [Fibromyalgia](#) (even

though it is a chronic disease unknown to have a cure in the establishment of regular medicine). Both healings are complete and attributed to the actions of a genuine faith healer.

(TS 00:12:47)Leo's Alliance with Lucifer

Mozi reveals that the six month magical ritual Leo went through in Italy in order for Lucifer to enter him was led by Jesuits. "He was promised protection for his family, his wife and his son," yet Fatma turned on him and he "cannot even see his own son." This demonstrates that Lucifer cannot be trusted. Because of his alliance with Lucifer, Leo was part of generating the Earthquake in China. Mozi delivered Leo from Lucifer during a 48 hour long exorcism ritual which took place earlier in 2008.

(TS 00:16:57)Fight for the Truth, Rather than Evil

Mozi states: "Fight for the truth, don't fight evil. Because when we fight evil we have only human energy and human resources. And we find ourselves wary, burned out, tired, frustrated by wanting the right things but not applying the right method to get what we want to see on the other side of the equal sign. In this equation of trying to find the total sum of victory, we have to look at what's going on and assess it through spiritual eyes. And when it's a spiritual battle much more is accomplished than when it's just done on a human level."

(TS 00:19:36)The Young Faith Healer Named Diego (*)

Mozi and Keri recall the miraculous faith healing session, led by a young wunderkind faith healer dressed as a skater, they attended together only a few weeks ago. They both were healed completely of their respective ailments, as were all other attendees who were afflicted with a wide range of health problems and diseases.

(TS 00:26:20)The Healing Holy Spirit

On the faith healer becoming aware of the entrance of the Holy Spirit into the Church, Keri recounts: "Everything that is us. Like our egos holding us back. Whatever it is that holds us down. It's like a window that has been opened to actually let it all go. To access something greater than what our egos can strive for." Since her ego was so hardened because of all the fighting she had been doing with the Vatican since 2002, she almost lost the ability to access God.

(TS 00:29:02)Tyranny and Hypocrisy of the Catholic Church

Keri attributes her fibromyalgia to the sustenance of sexual abuse and the cover-up that ensued while she was part of the strictest of strictest Catholic Congregations known as "[The slaves of the immaculate Heart of Mary](#)" of which its doctrine commands that there is "[no salvation outside of the Catholic Church](#)." She says that "it was a plan of the devil to destroy any relationship with Christ that I had." Furthermore she states that she went through MKULTRA styled mind control experimentation/operation.

The father of MKULTRA, the head of the American branch of the Sovereign Military Order of Malta (SMOM), [J Peter Grace](#), is buried at [St Joseph's Abbey and Spencer](#), the place where she was abused. She says, "Grace donated a lot of money to get the abbey built. If a Bishop orders you to spend money in a certain way and you refuse it, you will be excommunicated." She then explains how the Abbey persecuted her to the extent it promised to do if Keri were to turn on it, which she did, by exposing the abuse she suffered. As a consequence Keri was denied refuge to all other abbeys and became sick with fibromyalgia. Edward John Mulaney, a serial sex abuser also resides at the Abbey.

(TS 00:38:30)More Details on Keri’s and Mozi’s Wondrous Healing Process

The conversation now goes into the detail of the healing process Keri and Mozi went through. It is a stunning testimony to an amazing feat of faith healing. At my request, Mozi explains who this young faith healer is and how he obtained his amazing faith healing capabilities.

(TS 01:01:48)Fighting Evil on a Spiritual Plane

How does one fight evil on a spiritual plane rather than the physical plane? Keri lets me know that this is the stuff the “Vatican and the demons tremble to even hear you ask.” Mozi tells me that exorcisms can be performed *without the mediation of the Catholic Church* and that faith in Jesus Christ and seeking contact with the Holy Spirit in principle is sufficient. People can be healed and/or delivered from demonic attacks without the mediation of third parties (who always have ulterior motives) and who are claiming to be the sole available channel for communication with God; an effective technique of mental coercion or mind control.

(TS 01:14:32)Keri and the Catholic Church

Keri explains that she was part of a [Cistercian \(Trappist\)](#) branch of spirituality (break off of the [Benedictians](#)) adhering to the [same spiritual tenets](#) as the [Knights Templar](#) of old; founded in 1098. Keri explains that she was aligned with something demonic without her knowledge. **“You cannot bless and curse at the same time.”** “The Catholic Church broke away from original Christianity in 1054,” Keri says. This is called the [East-West Schism](#) in Wikipedia.

(TS 01:18:53)Frank O’Collins – Almanac of Evil – Fact or Fiction?

[Frank O’Collins’ Almanac of Evil](#) (the book used to be available on Greg Szymanski’s Arcticbeacon.com but since it appears to be down I uploaded the document to [Scribd.com](#)). Keri explains that O’Collins mixes fact with fiction when he describes the actions of the Church *prior to 1054*. It’s remarkable that his work finds approval by his uncle, who is a practicing high ranking Jesuit working in the Vatican. Keri says that the latter half, *unlike the first half*, is verifiably true.

(TS 01:27:22)The Orthodox Christian past of the Roman Church

Keri explains that the Roman Church originally was Orthodox Christian in doctrine and theology. In 1054 Rome broke away and tried to dominate the other four traditionally Orthodox Christian bishoprics. Keri verifies that the Roman Church is a stealthy continuation of the Holy Roman Empire. “The Patriarch turned from a Father into the Anti-Christ. [...] It verifies in its own Orthodox sense in the 600s that if a Pope should do this (One Patriarch rule over all other Patriarchs), it has become the predecessor to the Anti-Christ himself. It’s in their own (Orthodox) writings.”

Continued with [part two](#).

(*)Recitification Mozi told me in [another interview](#) that, the the young man’s name should be “Diga” rather than “Diego.” His website can be [accessed here](#).

Sister Keri and Moziah – Fighting Evil on a Spiritual Level (2of2)

Continued from [part one](#).

(TS 01:30:37)Constantine: Saint or Villain?

Keri says that Constantine left Rome for Constantinople, while taking with him the whole commercial apparatus that belonged to Rome (merchants, bankers etc.), in an effort to protect the growth of Christianity. O'Collins states that Constantine killed pagans in order to erect Christianity, "a flat out lie" says Keri as "he did not kill pagans." He passed the [Edict of Milan](#) just to allow the pagans to coexist with the Christians. "Constantine did not force Christianity on the Empire. And he certainly did not need the Christians to unify."

(TS 01:41:55)More on Frank O'Collins

Frank O'Collins, is given a chance to state the truth with Keri otherwise she concludes that he then must be part of the Vatican, implying that he is sent out by the Vatican to obfuscate the truth. [Constantine is regarded a Saint by the Orthodox Church.](#)

(TS: 01:42:45)More on the Spiritual Fight

In the light of fighting back on a spiritual level. Keri goes, "If we do not know the first 300 and some years of Christianity, mark my words, with the building of the Temple in Jerusalem, and this stuff that's coming up in the End Times, we will *lose our faith wholesale.*" These are the gloves Keri has chosen to wear.

[John 4:24](#): ***"God is Spirit, and those who worship Him must worship in spirit and truth."***

(TS 01:44:49)Why the Roman Church is Invested with Demons?

I ask how it can be possible that the RC is invested with demons. Keri replies that the moment the Church took their eyes off of Christ (in 1054) it embraced the Anti-Christ as the vicar of Christ.

"The Vatican has no child protection policy. The only policy they have is to protect the perpetrators." [Source](#)

(TS 01:46:31)[Crimen Solicitationis](#)

Crimen Solicitationis formally deals with the sexual abuse perpetrated by the clergy and states how many cases per clergy member are admissible according to Canon Law. Keri recounts that Orthodox priests were very receptive to her demand of bringing about full exposure of any cases of sexual abuse going on within the confines of their Church. On the contrary, she stumbled on much resistance with Catholic clergy when she pleaded the same insistence for exposure. The victims in the Roman

Church will be punished with the sentence of excommunication ([Latae Sententiae](#)) if they report their sexual abuse to the authorities. The Roman Church not only is heretical, since she broke away from the true Church of Christ in 1054, she is also a commercial enterprise, or corporation if you will or (my suggestion:) a corporation of exploitation.

(TS 01:55:11)Monks Sexually Abused at St Joseph’s Abbey

Keri recounts an experience she had when praying for hours a day near the praying wall of [St Joseph’s Abbey](#) and saw “monks climb over the wall” only to cry on Keri’s shoulder and tell her how “they had been sexually abused behind the wall.” She explains how the monks are trapped and cannot go anywhere except stay in the monastery. If they would try to leave they *will* be excommunicated and thus their very survival would hang in the balance. Monks who were sexually abused before entering the convent would be sought after by resident monks and then “preyed on through the confessional.”

(TS 01:59:19)The Missing Element in Leo’s Fight

Mozi raises her doubts regarding the effectiveness of Leo’s fight against the Beast from within. She states that a lot of time and energy is wasted on Leo’s personal stuff. “Where’s the Committee of Hope?”, she asks? “What is happening that has changed?” She says that the missing element in Leo’s approach is Jesus Christ.

(TS 02:04:01)The Demon Called Fibromyalgia

I ask Keri if fibromyalgia is demon mediated (what I mean by that is, is the disease caused and/or maintained by a demonic force or entity?). Keri affirms this and adds that she’s too strong for demons to get a hold of (“the light is bigger than him (the devil)”, she exclaims).

(TS 02:06:57)Christian Wedding Performed by a 33rd Degree Freemason?

Moziah recounts an experience she had being a witness to a wedding in which a 33rd degree mason was performing the matrimonial service. At my request she relates how masonry and Christianity are diametrically opposed, “intentionally and by necessity.” Masonry is a “demonic stronghold”, she explains. Keri says that the symbol of masonry is a [“world with a net around it.”](#)

(TS 02:11:53)The Greatest Trick the Devil Ever Pulled...

The biggest secret is the [greatest trick the devil ever pulled](#): to convince the world that he doesn’t exist, or that he’s real. Demonic possession is nowadays brushed off as being a [psychopathological ailment rather than a spiritual besiegement](#), all the while the demoniac is encouraged to take lots of pharmaceuticals/psychotropic drugs ([“gambutrol”](#)) to help the sufferer mitigate the symptoms without getting to the heart of the problem.

(TS 02:19:11)The Face of God

Keri recounts how she saw the face of God, and in vivid detail at that.

(TS 02:28:07)Recommended Reading of Scripture

At my request, for the purpose of I learning scripture while minimizing reading disinformation, the Bible Mozi recommends is the [“Tanakh](#), which also has the Torah in it, Jewish Publication Society

(JPS).” Mozi further recommends, “for the new testament, get the [Peshitta version](#), directly from the Aramaic by [Rocco A Errico](#) and translated by [George M Lamsa](#).”

(TS 02:30:18) Spirit of Fear

Spirit of fear is not a gift of God unlike the spirit of power and love and a sound mind. **“Fear hath torment. There is no torment in knowing God and in his presence”**, Moziiah recounts.

(TS 02:40:41) Mozi’s Healing House of God

Keri says “God is all in this house.” Keri says to Mozi, “I was worried how I would feel in your house cause I don’t really know you. And I’m not really fond of kids.” She then says, “this is planet of its own. Where am I?” Mozi then makes an open invitation to the listeners: “If you’ve been plagued by things, weird things are happening to you. You do things you don’t want to do and the good that you do, you always find out that you’re doing the opposite. If you want peace and you feel you’re a wreck. If you have disease and you wanna be healed? If you have demons and you wanna be set free, come over. I’m no a rich person you come to my house cause you would think I’m lying cause I live in this magnificent house God takes care of me; I have no job.”

(TS 02:42:21) The Work of God

“I don’t worry about tomorrow. [...] I’m in the now.” Seeing the diabolical attacks “the first week she’s in town,” Keri asked Mozi, “How do you live like this?” “Everything tries to come against me. *How all these different secret services and the Vatican and their Intelligence, how they have set up to sabotage me.* Especially since I met Leo and my name got smashed all over the place and they haven’t a victory. They cannot put this fire out. **This is bonfire that Christ himself set on fire and the Holy Spirit keeps adding fuel to it.**”

(TS 02:48:42) Idolatry and Healing

[Thou shalt not worship engraven images \(idolatry\)](#). Keri states, **“Anything that blocks us from the truth of who God is, is an idol. That’s it.”** Mozi then says: “If we don’t know the Holy Trinity, intimately, God the Father, God the Son, God the Holy Spirit. It’s like a fairy tale. Is it me, that I’m holy and I live great? No. It’s about that I know the Christ and I love him and whatever else needs to be changed, I’m willing to admit, I’m fallible, don’t look to me I’m not perfect. But I know the one that is. And while he brings you to perfection, I’m coming along for the ride too. And in this humility, healings happen like what you have Phil. I want you to be healed. So does God, that’s why he sent Jesus but my desire for you to be healed is not enough. You have to be willing to step out of the boat like Peter did. And walk on water while all the other disciples stayed on.” She then gives me a spiritual recipe of healing which is based on finding communion with God. Keri and Mozi are two living examples that it really works.

(TS 02:57:00) Contact Information

Mozi gives out her email address to anyone who needs spiritual help and/or be healed and/or exorcized. Her email address is: **MTA75104 [at] yahoo.com**. Should her email box become blocked, then send me an email: **truthandlogic [at] orange.nl**, or drop me a message on this blog, and I’ll forward it to Moziiah myself. Sister Keri can be [contacted here](#).

The interview alluded to above can be downloaded, [HERE](#).

Addendum 20 January 09:

MoZIAH can also be heard on a [most recent interview](#) I did with her on how she facilitated the casting out of Lucifer in the Illuminati Grand Master Leo Lyon Zagami.

Burnor: Counter-Point to the Catholic Church

By Sister Keri
Federal Observer
October 3, 2008

<http://www.federalobserver.com/archive.php?aid=12769>

In response to the article sent to me for review by *The Federal Observer*, **Documents held in Los Angeles Priest Abuse Cases**, by Gillian Flaccus proves the *modus operandi* of the Roman Catholic Church regarding their continued secrecy and cover-up of abuse. Roman Catholic authorities still have not yet learned the devastating effects clergy abuse has on its victims, and I would further mention it seems they have no real desire to bring restoration and resolution to this widespread epidemic.

Looking Ahead

Working with victims since 2002, I have discovered to my chagrin that there is indeed a conspiracy against victims and progress for their healing. Under the cloak of appearing to make change, the ecclesiastical hierarchy of Rome is further concealing their true agenda to "save face".

The secrecy has been uncovered by many including Father Tom Doyle, who found secret documents in the Vatican archives, *Crimen Sollicitationis*, an instructional document that describes the treatment of victims and the allegiance to secrecy by Roman Catholic priests when the issue of sexual abuse is brought up in the confessional, thus creating a means whereby spiritual leverage is employed at the expense of the victim seeking salvation.

I believe based upon the information available in the case of Rev. John J. Szantyr (DOCKET NOS. 0362 CR 5196, 8722), it is clear to see the deceptive and collusive machinations orchestrated by the state justice system, namely the District Attorney of Worcester, Massachusetts. For more information please see: <http://www.worcestervoices.com/johnszantyr.htm>. The lack of justice in these types of cases are too numerous to count.

I have begun to question the matter regarding the associations between certain privileged Roman Catholic members (ie., SMOM etc.,) and the top officials in this country. There is an explanation to the question as to how so many cases like this are occurring and why so many are not given due process and escape justice.

The heart of the issue, I believe, lies in the unholy ties between the Vatican and the interests of our beloved country and until this fundamental issue is resolved I cannot see any possibility toward real progress.

How does one propose to bring balance of power to this complicated issue? There is a law which makes provision for such matters. It is up to us to find creative ways to have it enforced. It is called the Logan Act.

Every priest of the Roman Catholic Church takes a vow of loyalty to the Pope of Rome who is a foreign potentate (he has a recognized position of authority at the UN).

The Logan Act is still on the law books today and states clearly that those who are subject and loyal to a foreign power, must be registered as a foreign agent.

Here the federal law states: **US CODE/ TITLE 18 > PART I > CHAPTER 45 > - 953 - 953. Private correspondence with foreign governments**

Any citizen of the United States, wherever he may be, who, without authority of the United States, directly or indirectly commences or carries on any correspondence or intercourse with any foreign government or any officer or agent thereof, with intent to influence the measures or conduct of any foreign government or of any officer or agent thereof, in relation to any disputes or controversies with the United States, or to defeat the measures of the United States, shall be fined under this title or imprisoned not more than three years, or both.

This section shall not abridge the right of a citizen to apply, himself or his agent, to any foreign government or the agents thereof for redress of any injury which he may have sustained from such government or any of its agents or subjects.

In the case of a Christopher Strunk, he has sought to bring awareness to this current law in the state of New York. Please see <http://strunk.ws> for more information on his case against the CIA involving the Jesuit priest, Pierre Teilhard de Chardin.

This law enforced can be for us the means by which we develop a level playing field with the authorities of the Roman Catholic Church and those serving their interests.

Exemplary persons of hope must rise to the occasion and find the means necessary to change laws set up to fail the vulnerable victims, those innocent and abused.

Above all, I believe this is a spiritual battle and cannot be fought alone with natural strength.

The author is a former Catholic Nun.
